

| Ingredient                                  | Description |
|---------------------------------------------|-------------|
| alfalfa                                     |             |
| alfalfa nutrient concentrate dehydrated     |             |
| Algae                                       |             |
| amino acids                                 |             |
| antioxidants                                |             |
| ascorbic acid                               |             |
| astaxanthin                                 |             |
| biotin                                      |             |
| brewers dried yeast                         |             |
| brewers yeast                               |             |
| broken rice                                 |             |
| calcium iodate                              |             |
| calcium pantothenate                        |             |
| calcium propionate                          |             |
| carrots                                     |             |
| Cereals                                     |             |
| chlorella                                   |             |
| choline choride                             |             |
| cobolt sulfate                              |             |
| colorants                                   |             |
| corn starch                                 |             |
| Cyclops                                     |             |
| daphnia                                     |             |
| de hydrated alfalfa meal                    |             |
| Derivates of vegetable origin               |             |
| disodium phosphate                          |             |
| DL-methionine                               |             |
| dried bakery product                        |             |
| dried seaweed meal                          |             |
| E5 Manganese 81mg/kg                        |             |
| ethoxyquin                                  |             |
| ferrous sulfate                             |             |
| Fish oil                                    |             |
| Fishmeal                                    |             |
| folic acid                                  |             |
| garlic                                      |             |
| green-lipped mussel meal                    |             |
| halibut                                     |             |
| herbs                                       |             |
| inositol                                    |             |
| inositol                                    |             |
| kelp meal                                   |             |
| krill                                       |             |
| Krill meal                                  |             |
| L-ascorbyl-2-polyphosphate                  |             |
| lecithin                                    |             |
| Lecithin                                    |             |
| Lucerne (alfalfa)                           |             |
| magnesium sulfate                           |             |
| manganese sulfate                           |             |
| menadione sodium bisulfate complex(vit K)   |             |
| menadione sodium bisulfite (vita K3)        |             |
| milk powder                                 |             |
| Minerals                                    |             |
| niacin                                      |             |
| Oils and Fats                               |             |
| Omega 3 & 6 (2%,3%)                         |             |
| Pantothenic acid                            |             |
| paprika                                     |             |
| parsley                                     |             |
| plankton                                    |             |
| potassium sorbate                           |             |
| pyridoxine hydrochlorine                    |             |
| riboflavin                                  |             |
| salmon oil                                  |             |
| sea algae meal                              |             |
| sea food mix (krill whole herring & shrimp) |             |
| silkworm pupa meal                          |             |
| Soyabean meal                               |             |
| spinach meal                                |             |
| spirulina                                   |             |
| spirulina algae                             |             |
| spirulina algae meal                        |             |
| starch                                      |             |
| Stinging nettle meal                        |             |
| thiamine mononitrate                        |             |
| tocopherol & ethoxyquin(preservative)       |             |
| torula dried yeast                          |             |
| Vegetable Protein extracts                  |             |
| vit c                                       |             |
| wheat flour                                 |             |
| wheat Germ meal                             |             |
| wheat gluten                                |             |
| whole egg powder                            |             |
| whole kelp                                  |             |
| whole salmon                                |             |
| willow bark & alder wood                    |             |
| Yeasts                                      |             |
| zinc sulfate                                |             |
